ASU MEMBERS WIN @ UCH

The Fair Work Commission (FWC), the independent industrial umpire, has agreed with the ASU that Clerical and Administrative staff should have their own Agreement.

ASU members have been fighting to ensure that your wages and conditions are not negatively affected by being joined in an Agreement with the support services staff.

The FWC decision tells UCH management that they need to negotiate with the ASU on wages and conditions for Clerical and Administrative staff. Included in these negotiations are your wage increases, your classification structure, annual leave and many other important issues.

If you have not yet joined the ASU you need to do so today!

Celebrate with your co-workers and in particular with your **Senior ASU Delegates; Beth Barnes, Noeleen Blatchley and Ann Stewart**, who continue to lead by example – join them in the search for RESPECT, a fair day's pay and good working conditions.

You can join online today at: www.qld.asu.net.au and click '**Join**' in the top menu bar or complete the form on the reverse side of this bulletin and fax back to the Union Office on 07 3017 6235.
