Redundancies at Griffith?

Your union has heard that redundancies are occurring at Griffith University.

ASU-Together has not been consulted about any redundancy program and as such, this is a breach of your Collective Agreement.

If you are called in to a meeting with the CFO over the next few days, do not attend this meeting without union representation. Call Rana Watson immediately on **3017 6197** for more information or to organise for assistance or representation.

You are within your rights to refuse to attend a meeting without your union representative in attendance.

If you have already attended a meeting regarding your employment, please call Rana Watson urgently on **3017 6197** or email: ***info@qld.asu.net.au***
