

Bargaining Update – Thank You

The bargaining process for your replacement Enterprise Agreement has now been concluded and information sessions are currently being conducted across Energex workplaces.

As the ballot process will soon begin, we wanted take this opportunity to thank all the Delegates and members who assisted your union representatives through the long negotiation process. Your attendance at meetings, feedback and dedication provided your union representatives with the guidance required to get the best possible outcome for members.

Your Delegates have also been instrumental in ensuring a continual point of contact for members. We would like to say a special thank you to our four bargaining Delegates who, between them, attended all meetings and conciliation conferences to ensure that ASU members' concerns and opinions were heard - they are Jon Morris, Boyd Brunsmann, Eileen Redmond and Ray Pyzik.

As a collective group we have worked hard to ensure the best outcome for our Union and its members, however, without the ongoing support and extra help from our Delegates this achievement would have been much harder.

To our Delegates, again, we say thank you for all your efforts in negotiating our new Agreement!

If you require further information please contact your local Delegate or phone the Union Office on 1800 177 244 or email: members@qld.asu.net.au.
