

# What is your pay worth in this new financial year at QML?

**Congratulations, your pay is about to increase by 4%!**

## Why did you get a pay increase?

Your Agreement, the Queensland Motorways Management Pty Ltd Enterprise Agreement 2011 defines your wages and conditions. The Agreement states that you will receive a wage increase in the first full pay period after the 1st July, 2012.

## What increases do you receive?

Your ordinary hourly rate of pay will receive an increase of 4%. This means that any calculations based on your ordinary rate will also increase, this includes your superannuation payments.

All allowances in your Agreement will also increase at the same time by 4%.

## How did these increases happen?

Your ASU Delegates - Bonnie Murphy, Alana Smith, Josh Norman and Todd Utteridge, supported by your Union Organisers, negotiated this Agreement with QML management.

Through the joint efforts of all ASU members and Delegates, the wage outcome at this time is a great result. Without a strong union membership this outcome would not have been achieved.

## What can you do to ensure future pay increases?

**You should join the ASU now!** Join the organisation that supports you!

Go to: [www.qld.asu.net.au](http://www.qld.asu.net.au) and join on-line or see your workplace Delegate and join your union today!
