Healthscope Admin Staff – Fair Work Says Yes!

At last, after what seems like a very long year, your Agreement has now been approved by Fair Work Australia.

Your Agreement, titled Healthscope Queensland Clerical Services Employee Agreement 2012 – 2015, comes in to operation formally on the 10th May, 2013.

Healthscope commenced paying your wage increase following the successful Yes vote so there is no immediate change there.

There are many parts to your Agreement and it is important you are familiar with your conditions.

Remember, it pays to belong to your union!
