Together-ASU New Farm Visit

Your Together/ASU organiser will be in attendance at the CPLQ New Farm offices to speak to staff about the Collective Bargaining process.

Your current Collective Agreement has now expired and negotiations will commence soon. Until such time as a new Collective Agreement is negotiated your current Agreement and subsequent conditions will prevail.

Union members across the state are joining together to ensure that their worksites get a say in the bargaining process.

All staff are welcome to attend this meeting.
