

ASU Union Meetings at Jetstar – Gold Coast Airport

Recently our members have been saying that things are just not that easy at work. This is not surprising considering that Gold Coast Airport is in the major port category despite it being a regional port.

Our members tell us that you have been dealing with up to 30 Domestic flights a day on top of around 4 International flights.

So why is it a little hard of late?

Some questions to ask:

- are staffing levels correct?
- what's the balance between work and life?
- do you have a say in how you are rostered?
- are you getting the right breaks?

To explore how things could be better at work, the ASU will be holding Union Meetings where we can talk through everyone's suggestions and come up with some recommendations.

The date and times are as follows:

When: Tuesday, 10 July, 2012
Session Times: 11:30 am – 12:30 pm & 1:30 pm – 2:30pm

This is also an opportunity for you to come and support your new ASU Delegates for Jetstar OOL:

- Adam MacDonald
- Leithan Goodridge
- Barry Bramwell

Adam, Leithan and Barry are committed to assisting existing Delegates, Scott McGuire, Sharon McGregor and Brett Flecknoe in representing you in your workplace and welcome your support in achieving this.
