TAKE HOME PAY FOR SHIFT WORKERS UNDER THREAT ROSTERS, ANNUAL LEAVE, JOBS KEEP CHANGING

Do you have concerns about any one of these issues?

Rosters:

- Why have the hours for moonlight shift changed?
- Why do those starting work in the morning now lose penalty rates?
- Why are there not enough lines to accommodate for work and family life balance?
- Do you have caring needs and cant get a reasonable line in the rosters?

Annual Leave Loading:

- Why has Virgin not corrected your annual leave loading payments and paid you correctly from the day you took your first leave?

Jobs Keep Changing:

- Did you have one job today and then Virgin just told you now you have a different job?
- Did you get to agree to the change?
- Are you happy with the change?
- Did the change of job change your hours of work?

What can you do about it?
