

Armaguard Metropolitan EBA Update

Your Bargaining Team – Irene Bird, Mandy Peacock and Jan Sheppard (ASU) last met with your employer on 23 January, 2013.

Unfortunately, though several meetings have been arranged since, they have been cancelled by the employer for a number of reasons.

Your Union has agreed to each meeting time that has been proposed by the employer.

We were advised by the employer on 20 March, 2013 that a number of employee Bargaining Representatives have now lodged a log of claims with the employer that they need to consider.

This Log of Claims has not been served on your Union and we are again attempting to organise a meeting for this Thursday, 4 April, 2013 and are currently awaiting confirmation from the employer that the meeting will proceed.

We will keep you updated as soon as information becomes available.
