Enterprise Agreement Negotiations Update FWA Conciliation Conference Continues

The combined Energy Industry Unions and ENERGEX continued conciliation talks before Fair Work Australia yesterday. The conciliation process was concluded at the end of the day.

Commissioner Asbury advised that recommendations regarding an outcome of these conciliation conferences would be released today, Friday 6 January.

Further information will be provided once the Fair Work Australia recommendation has been received.

If you have any questions in relation to the ongoing negotiations please speak to your local Delegate or contact your Union office.
