

## **AUSTRALIAN COMMUNICATION EXCHANGE REPORT BACK MEETINGS SCHEDULE**

**Your ASU/Together union representative has met with Australian Communication Exchange (ACE) management to negotiate your new Collective Agreement.**

Your union has provided ACE management with your log of claims (*the items you want addressed in your new Agreement*). ACE management has provided a response to some of your claims, so as part of the negotiations process your ASU/Together workplace Delegates and Officials will be holding workplace meetings to discuss the response and gain your feedback on these important issues.

**All Relay Officers are invited to attend a meeting to gain important feedback on the progress of the negotiations of your new Agreement.**
