## **Your Union, ASU/Together Has Forced BlueCare to do the Right Thing!**

**Blue Care employees raised their concerns to Blue Care management that they had not received their ballot papers according to the timeframe that Blue Care had advertised. This meant that employees would not have sufficient time to cast a valid vote.**

***Did Blue Care listen to their employees?***

**No.**

ASU / Together members then raised their concerns with the Union office and a letter of concern was sent to the Executive Director and senior HR/IR management advising that if they did not ensure that all employees had sufficient time to cast a vote, then the Union would proceed to take action against your employer.

***Did Blue Care act when the Union advised them they were doing the wrong thing and needed to fix it?***

**Yes.**

You will now have received or will shortly receive notice of the voting time extension.

**Voting now closes on Friday 4th April 2014. Make sure your vote counts – we say vote YES and post it off today!**

Does it pay to belong to ASU / Together?
