

ASU Members EB Report Back Meeting Coming Up!

You have a voice ... have your say on workplace issues at Maurice Blackburn.

***What at Maurice Blackburn would you change to make this a better place to work?
What conditions would you improve? How much pay do you think is fair?***

If you're an ASU member you have a voice. If you want to have your say, come along to the EB report back meeting and catch up with your union bargaining delegates:

ASU Members' Meeting:

WHEN:	Wednesday 29 February, 2012
TIME:	1:00 pm to 2:00 pm
WHERE:	Maurice Blackburn Strathpine Office 404 Gympie Road, Strathpine

If you're not an ASU member, join today and come along to hear about what union members are achieving for all of us.

The Agenda:

- **Progress on pay rate information**
- **Progress in negotiations**
- **Other queries and bargaining news**

Not in the union?

It's time to join up and have your voice heard. As a non-member you're not represented in bargaining. ***Talk to your workplace ASU union Delegate, Tracey Smith and colleagues about what the union can do for you!***
