ASU Qantas Airport Bulletin

Over the next few weeks, you can expect to hear from your ASU Delegates and Organiser who will be availing themselves to talk with you on a number of matters.

A few of those matters are:

- The care and treatment of Unaccompanied Minors;
- Rosters (New Season).

We know that the above matters are important to you and we seek your views to enable better representation on those issues. Recently, you would have received a Bulletin from us about developing a consistent national approach to the care and treatment of unaccompanied minors and would have noted that the ASU next meets with Qantas on Wednesday 17 October 2012. So prior to the next meeting, please take the opportunity to share with your Delegates and Officials any information that you think we should know about.

On rosters, the ASU is expecting Qantas once again to review and seek approval for:

- The working of 7 consecutive days; and
- Fixed hours arrangements.

Qantas Brisbane has given us the heads up that this will be the case and that they will be seeking to meet with individuals on fixed arrangements to determine their needs for the next 6 months.

If this is you, you might need support. If you're not a member, don't wait until there is a problem, speak with your Delegate now about joining up otherwise we will not be able to assist you.

If your roster group works a pattern of seven (7) consecutive days, please make sure you nominate someone from your area to liaise directly with your Delegates and Officials to ensure that your roster is as you desire, and so that no hold ups occur with the implementation of the new season roster.

If your roster group does not ordinarily work a pattern of seven (7) consecutive days, but you are seeking to improve the balance of days off, now is the time to get organised and develop a roster that can be submitted to the Roster Committee for consideration in the first instance.

ASU Delegates and Officials are happy to assist you in this process. Again, if you're not a member, speak with your Delegate about how to sign up to the ASU.

For more information, your Delegates are:

- Tony Scott
- Umesh Chand
- Melinda Rose
- Jo Muller
- Stephanie Hill
