

Enterprise Bargaining Update

BUPA staff would be aware that the BUPA Australia Enterprise Agreement 2010 expired on 24th June, 2013. As in 2010, the ASU and FSU will be seeking to commence bargaining with BUPA management as soon as possible.

Your Enterprise Agreement is a legally enforceable document which provides you with wages and conditions specific to BUPA.

The relevant underpinning modern award that applies is the Banking, Finance and Insurance Award 2010.

To ensure that you get the most out of the bargaining process you should look carefully at the current Agreement and think about what you would like to see improved.

The union claims will include the following:

- **Annual pay increase;**
- **Union consultation about changes to work;**
- **Job security;**
- **Hours of work, penalty rates and overtime;**
- **Conversion to full time work;**
- **Career development;**
- **Staffing levels/workload; and**
- **Domestic violence leave.**
