ASU EBA-10 Consultation Meetings

Attention all Qantas Customer Services and Support Staff:

The ASU is holding meetings across the country with Qantas Customer Service and Support Staff to talk with you about our preparations for getting your replacement EBA in place.

Your EBA9 Agreement is due to expire on 30 June, 2013 and it is vital that we understand the things you need in your workplace to make your working life better.

All meetings will be in paid time – tell your Supervisor you wish to attend a particular meeting and they will release you from your duties at the appropriate time.

The following meetings have been organised for Qantas Brisbane Freight. ASU representatives will have EBA10 Bargaining Surveys which you can complete and return at these meetings as scheduled below:
