

EBA Voting Commences

Voting for the *Malaysia Airlines Enterprise Agreement 2013* commenced at 8:30am today (Thursday 7 November 2013).

The ASU urges you to cast a vote in this enterprise agreement ballot to determine your pay and other conditions of employment until at least the 31 December 2015. This is your chance to have your say on your employment for the next two years.

The ASU considers this Agreement should both have better regulated the use of casual employees and safeguarded the terms and conditions of permanent employees, as well as making the payment of the fixed increment of \$100 available to all employees not just employees not at the top of their maximum salary range. The Agreement negotiations have been protracted and it is significant that ASU members can now lock in their wage rises and increases to allowances until the beginning of 2016.

Regardless of the outcome of the vote ASU members need to closely watch the operation of the Agreement so that casual employment is not expanded at the expense of permanent positions.

What next?

If you have any questions about the Agreement during the voting period, which runs until 5pm Thursday 14th November, contact your local ASU organiser on the numbers listed below. It is important that all members have their say and vote on the Agreement.
