Good morning,

I write to indicate that the TWU agrees with the interpretation of the part-time clause as put forward by Together.

I note the undertakings were sent to Mr Peter Biagini of the TWU. Unfortunately, Mr Biagini has not been in a position to forward that e-mail to me, so I have not yet received a copy of the proposed undertakings.

Whether the more beneficial provisions within the Agreement which have been cited do in fact result in employees being better off overall when considering the less beneficial provisions is not clear and may in some respects be dependent on actual rosters and hours.

I will provide further comment once I have received a copy of the undertakings.

Regards,

Margarita Cerrato
