Your employer

The Department of Education and Training (DET) is committed to ensuring Queenslanders have the education and skills they need to contribute to the economic and social development of Queensland. The department delivers world class education and training services for people at every stage of their personal and professional development. We are also committed to ensuring our education and training systems are aligned to the state's employment, skills and economic priorities. DET is a diverse organisation with the largest workforce in the state. We provide services through the following service delivery areas:

- State Schools Division delivers high quality education to more than 70 percent of all Queensland school students at prep, primary and secondary levels.
- Training and Skills Division works to meet the current and future needs of the economy through building a world class training system to enhance the skills of Queenslanders and optimise employment opportunities. The division achieves this through the regulation of the state's apprenticeship and traineeship system, strategic investment in training and skills, informing consumers, supporting a quality Vocational Education and Training (VET) sector and providing whole of government leadership on training and skills issues.
- Policy, Performance and Planning Division takes a strategic approach to driving the business of the portfolio, across, schooling, training and employment, early childhood, education and care and Indigenous education policy. The division engages in policy development and intergovernmental relations, legislation, governance and planning, and monitors and reviews the department's performance framework.
- The Early Childhood and Community Engagement Division is responsible for the strategic management and implementation of early childhood reforms, coordination of early childhood education and care programs, approval and regulation of services, supporting assessment and ratings and the quality improvement for all early childhood development and education services in Queensland. The Division is also responsible for the department's community engagement and communication priorities with a specific focus on working with stakeholder to meet government goals, commitments and targets.

State Schools Division is responsible for ensuring Queensland state school students are engaged in learning, achieving and successfully transitioning to further education, training and work.

State Schools Division develops the strategic direction for state schools, supported by operational policies and ensuring their implementation in regions and schools.

Schools are the focus of expertise in learning. They perform a vital role in providing opportunities to students to acquire knowledge and understanding, pursue special interests, strive to achieve excellence and develop social and vocational skills. Their core business is providing a learning program for students to achieve system wide and school based learning outcomes. Schools also aim to facilitate and support participation among parents, students, administrators, teachers and others in the school community and between the school and departmental support structures.

For more information about the department, please visit our website at www.det.qld.gov.au

Your opportunity

As the Computer Assistant you will undertake routine maintenance and repair of computing facilities in the school and provide support services for networking to enable wider access and reduce downtime of computing facilities in schools.

The Computer Assistant reports to the Principal, or nominated delegate.

Your role

You will have responsibility for leading the following activities and undertaking the following key tasks:

- Undertake regular maintenance and routine repairs of all computers and associated equipment throughout the school. (SFIA, Level 2 – ITOP) Delete when advertising
- Assist in the installation of new equipment and software. (SFIA, Level 2 – HSIN) Delete when advertising
- Assist in the avoidance of problems and monitor the safety of your working environment by ensuring measures are implemented for the correct operation of equipment.
- Provide technical input and assist in networking computers and associated equipment.
- Assist in developing and implementation of procedures and guidelines for the correct and safe operation of computing equipment.
- Order parts and computer stocks, as required, and maintain equipment records.
- Maintain tools and equipment for repair services.

Knowledge and experience

A requirement of this role is:

The successful applicant will be required to attain the DET Orange Card School Administrator (OC SA) certification to access the school network, enabling the officer to perform high level support tasks including server technologies. The content of the course contains aspects of supporting the DET Managed Operating Environment (MOE) as well as Government legislation. This course is only available within the DET network.

How you will be assessed

Within the context of the role described above, the ideal applicant will be someone who has the following key capabilities:

1. Supports strategic direction

Support the organisations business objectives through ability to assist in the development and implementation of procedures and guidelines for correct and safe use of computing equipment

2. Achieves results

Contributes skills in the maintenance and routine repair of a range of information technology equipment and systems to achieve positive outcomes for the business unit.

3. Supports productive working relationships

Ability to work as part of a team, and demonstrated reliability in organising individual workloads.

4. Displays personal drive and integrity

Commits energy and drive to see that goals are achieved including the ability to order stock and equipment and maintain records.

5. Communicates with influence

Ability to present messages clearly and concisely and focus on key points.

Additional information

- **For temporary positions** - The duration of this position will be dependent on work demands and the availability of ongoing funding. Delete if not applicable
- The successful applicant will be required to attain the DET Orange Card School Administrator (OC SA) certification to access the school network, enabling the officer to perform high level support tasks including server technologies. The content of the course contains aspects of supporting the DET Managed Operating Environment (MOE) as well as Government legislation. This course is only available within the DET network.
- The *Child Protection Reform Amendment Act 2014* requires the preferred applicant to be subject to a working with children check as part of the employment screening process. The department is legally obliged to warn applicants that it is an offence for a disqualified person to sign a blue card application form. Further details regarding the blue card system is available at: www.bluecard.qld.gov.au/
- Confirmation of employment is conditional upon the preferred applicant being issued with a Blue Card from the Public Safety Business Agency (PSBA).
- A criminal history check will be initiated on the successful applicant.
- A serious discipline history check may be initiated on the successful applicant.
- A non-smoking policy applies in Queensland government buildings, offices and motor vehicles.
