

In 2019 we are set to negotiate a new agreement for our wages and working conditions in Queensland Health.

Together we are stronger in this process.

Your union delegates want to know what you think. Go to

[www.together.org.au/health](http://www.together.org.au/health)

to have your say.

Now is your opportunity to get involved in your union and change things for the better at work.

If you want to be more involved contact the Together Health team at [health@together.org.au](mailto:health@together.org.au)
