Mr Alex Scott  
Secretary  
Together Union  
PO Box 3272  
South Brisbane BC QLD 4101

Dear Mr Scott

West Moreton Health is committed to caring for our fast-growing community. With the region's population expected to double by 2036, we are planning for the future with new infrastructure and services across West Moreton.

In 2017, West Moreton Health developed a Master Plan which outlines a series of infrastructure solutions that will be required over the coming years. As part of Stage 1A, we have commenced detailed planning for a new \$91 million Mental Health Unit on Chelmsford Avenue, directly across the road from Ipswich Hospital. We are also close to completing the installation of a Magnetic Resonance Imaging (MRI) machine at Ipswich Hospital which will provide a much-needed service to patients.

These are exciting advancements for health care in West Moreton, but naturally construction will impact patients, visitors, staff and immediate neighbours. We will maintain communication with all our stakeholders during this period of change and growth.

The Department of State Development, Manufacturing, Infrastructure and Planning is running a community-wide consultation process between 15 November and 12 December to give community members an opportunity to have their say on the Mental Health Unit project. There are three ways to make a submission:

- online: <https://planning.dsdmip.qld.gov.au/id-consultations>
- email: [infrastructuredesignation@dsdmip.qld.gov.au](mailto:infrastructuredesignation@dsdmip.qld.gov.au)
- post: PO Box 15009, City East, QLD, 4002.

Caring Better Together
